

Retirement of Staff

To assist the district in its planning efforts, staff members considering retirement are encouraged to notify the district as early as possible, preferably at the beginning of the school year in which the retirement will take place.

Retiring employees are encouraged to coordinate with PERS and the Human Resources Department to ensure that all requirements are met. The superintendent will develop requirements, limitations and procedures for employment as a PERS-retiree.

When an employee of the district retires under PERS, that employee's employment with the district will terminate. PERS-retired individuals may apply for open positions with the district.
