**Notes**

Question and Discussion

- Will the meetings be recorded
  - Darla will check on this
- Will the school committee and the CCAC overlap and share ideas and learning
  - Yes, there will be opportunities to work together and share learning
- Jacob shared a slide presentation on why standards are important in schools
- Can we have more discussion on opt in vs. opt out
  - The committee can make the decision to discuss this further
- How is our current health curriculum
  - We don't have a current health curriculum. Teachers are piecing resources together to meet the current standards.

Homework

- Darla will add the curriculum list and health standards to the shared drive for everyone to view
