

Family Leave

When applicable, the district will comply with the provisions of the Family and Medical Leave Act (FMLA)^{1}, the Oregon Family Leave Act (OFLA)^{2}, the Oregon Military Family Leave Act (OMFLA), Paid Family and Medical Leave Insurance (PFMLI) and other applicable provisions of state and federal law, Board policies and collective bargaining agreements regarding family medical leave.

FMLA applies to districts with 50 or more employees within 75 miles of the employee's work site, based on employment during each working day during any of the 20 or more work weeks in the calendar year in which the leave is to be taken, or in the calendar year preceding the year in which the leave is to be taken. The 50 employee test does not apply to educational institutions for determining employee eligibility.

OFLA and OMFLA applies to districts that employ 25 or more part-time or full-time employees in Oregon, based on employment during each working day during any of the 20 or more work weeks in the calendar year in which the leave is to be taken, or in the calendar year immediately preceding the year in which the leave is to be taken.

In order for an employee to be eligible for the benefits under FMLA, he/she must have been employed by the district for at least 12 months and have worked at least 1,250 hours during the past 12-month period.

In order for an employee to be eligible for the benefits under OFLA, he/she must work an average of 25 hours per week and have been employed at least 180 calendar days prior to the first day of the family medical leave of absence. Special requirements apply during public health emergencies.

OMFLA applies to employees who work an average of at least 20 hours per week; there is no minimum number of days worked when determining an employee's eligibility for OMFLA.

PFMLI is generally available to district employees who have earned \$1,000 in subject wages or taxable income during the alternate or base years³, contributed to the PFMLI fund in the alternate or base years and are otherwise eligible.⁴ PFMLI can be taken for family leave, medical leave or safe leave.

¹ {Generally, FMLA applies only to entities with 50 or more employees, however, FMLA applies to all public elementary and secondary educational institutions. See 29 CFR 825.600(b). The rule regarding individual employee eligibility does apply: an employee is only eligible if the employee "is employed at a worksite where 50 or more employees are employed by the employer within 75 miles of that worksite." See 29 CFR 825.110(a)(3). Consequently, FMLA applies to districts with fewer than 50 employees, but individual employees will not be eligible to receive benefits.}

² {OFLA applies to employers with 25 or more employees in Oregon (ORS 659A.153) and OMFLA applies to all public-sector employers in Oregon. (ORS 659A.090(2)) (Oregon BOLI Leave Laws – 2023 Edition)}

³ The wages are not required to have been earned for work in the district.

⁴ See OAR 471-070-1010 for additional information.

-Leave taken under OFLA is in addition to leave taken under PFMLI and cannot be taken concurrently; however, OFLA leave or PFMLI may run concurrently with leave available under ORS 653.601 - 653.661, FMLA, and other types of leave if provided by the district. Any leave taken under PFMLI must be taken concurrently with any leave taken under FMLA when for the same purpose.

The superintendent will develop administrative regulations as necessary for the implementation of the provisions of both federal and state law.
