

Banks School District 13

Code: **GBEBC/JHCCC/
EBBAA**
Adopted: 7/10/00

Infection Control - HIV, AIDS, HBV

The district shall use standard precautions at all times for infection control. Each person is therefore treated as though an HIV, AIDS or HBV* infection exists.

The district shall develop an Exposure Control Plan that includes infection control procedures for staff and students.

Staff shall receive an annual in-service that includes correct procedures for cleaning up body fluid spills and for personal cleanup and appropriate disposal as well as the location and a content review of first-aid and clean-up kits. Kits shall be available for each room in the building and in each district vehicle.
