

Community School Program

The district's community school program will be subject to the following requirements:

1. Enrollment in community education classes shall be limited to patrons of the district;
2. A residency exception may be made when the enrollment is low enough to allow students to enroll who live outside the district's boundaries;
3. Tuition for community education classes shall be set by the superintendent based on a recommendation from the principal and projected costs to the district;
4. District facilities and equipment shall be used to conduct classes. Supplies, however, shall be furnished by students or generated revenue from tuition;
5. All community school classes will be run at no cost to the district;
6. Teachers of community education classes shall be qualified by licensure or experience and will be paid in accordance with the collective bargaining agreement;
7. The superintendent or his/her designee shall coordinate district community education to ensure against redundancy of courses or duplication of use of facilities.
