

Banks School District

Banks, OR 97106

Dear Parent or Guardian:

Banks School District receives federal funds for Title 1 programs that are part of the *No Child Left Behind Act of 2001*. Throughout the school year, we will continue to provide you with important information about this law and your child's education. These funds provide for the supplemental reading program at Banks Elementary School.

You have the right to request information regarding the professional qualifications of your child's classroom teacher(s). If you request this information, the district or school will provide you with the following information as soon as possible.

- a. If the teacher has met state licensing requirements for the grade level and subjects in which the teacher is providing instruction.
- b. If state licensing requirements have been waived for the teacher on a temporary basis;
- c. The type of college degree, major of the teacher and the field of discipline for any graduate degree or certificate; and
- d. If your child is receiving Title 1 services from paraprofessionals and, if so, his/her qualifications.

We are proud to inform you that all certified teachers at Banks Elementary School meet the Highly Qualified teacher status requirements. If you would like to request this information, please contact your child's school.

Thank you for your interest and involvement in your child's education.

Sincerely,

Marjorie Salter
Principal
